**PH: 502/210-5400**  
**FAX: 502/210-5499**

## ROADSHOW for the week beginning February 1, 2010

Inclement weather or other unforeseen circumstances may occur, so the information below is strictly of an advisory nature and is subject to change with no notice.

Pothole patching, sweeping, drain & ditch cleaning, pavement marking, and maintenance crews may work on major interstates in the Louisville Metro area only during non-peak daytime hours and at night. Motorists should watch for roadside maintenance and pavement marking crews on interstates and highways throughout the rest of the district on a daily basis.

### Jefferson County:

**Interstate 65:** Lane closures delays possible between I-264 and Fern Valley Road (mile points 131.2 and 128.1) due to guardrail installation and bridge joint repairs. **Lane closures are possible on weekends from 8:00 p.m. on Friday until 6:00 a.m. on Monday.** Construction is scheduled for completion in January 2010.

**Interstate 264/Interstate 64 interchange:** The left lane of eastbound I-64 will be closed at the interchange to eastbound I-264. This lane closure is scheduled for Monday February 1<sup>st</sup> and Wednesday, February 3<sup>rd</sup> from 9:00 a.m. until 3:00 p.m. each day. **In addition, eastbound Interstate 64 will be temporarily closed at the Interchange with I-264 (mile point 0.8) just past the Sherman Minton Bridge. Eastbound I-64 will be closed from 9:00 p.m. on Tuesday, February 2<sup>nd</sup> until 5:00 a.m. on Wednesday, February 3<sup>rd</sup>. Motorists should follow the signed detour.**

**Interstate 64:** Construction delays possible between I-265 and the Jefferson/Shelby County line (mile points 18.8 and 23.9) due to roadway widening. **Lane closures are possible weekdays from 9:00 a.m. until 3:00 p.m. to allow for asphalt pavement repairs. Traffic stoppages are possible in each direction daily between 11:00 a.m. and 3:00 p.m. during blasting operations. Lane closures are possible in the evenings from 7:00 p.m. until 6:00 a.m. the following morning.** The speed limit is reduced to **55 MPH** in the construction zone. Construction is scheduled for completion in the fall of 2010.

**Interstate 264:** Shoulder closures possible between US 60 and US 42 (mile points 19.8 and 22.2) due to construction of an interchange at Westport Road. Watch for construction vehicles entering and exiting the roadway. **The speed limit is reduced to 45 MPH** in the construction zone. Lane closures and delays are also possible on Westport Road between Hubbards Lane and I-264 (mile points 0.9 and 1.9). Speed limit on Westport Road has been **reduced to 25 MPH** in the construction zone. Construction is scheduled for completion in the spring of 2010.

**US 60A (Eastern Parkway):** Roadway is **closed** between Hahn Street and the entrance to the J. B. Speed School of Engineering (mile point 3.8 to 3.7). This closure will allow for extensive repairs to the bridge over the CSX Railroad. Motorists should follow the signed detour via Crittenden Drive, Central Avenue and Third Street (KY 1020).

**KY 155 (Taylorsville Road):** Lane closures and delays possible between I-265 and Tucker Station Road (mile points 6.1 and 6.8) due to installation of turning lanes. The new traffic signal at this intersection will be activated by the end of January.

### Bullitt County:

**KY 61:** Construction delays are possible between John Harper Highway and Cardinal Avenue (mile points 19.4 and 20.1) due to roadway widening.

**KY 1494 (Beech Grove Road):** Roadway is **closed** at the bridge over Long Lick Creek (mile point 5.5) due to bridge replacement. Motorists should detour the area via KY 61.

### Franklin County:

**US 421 (Leestown Road):** Construction delays are possible between Chenault Road and US 60 (mile points 1.5 and 3.0) due to roadway widening. Motorists should watch for construction vehicles in the area. Construction is scheduled for completion in the fall of 2010.

### Henry County:

**KY 22:** Lane closures and delays possible at the Kentucky River Bridge near the Owen County line (mile point 22.4) due to construction of a new bridge. Lane closures and delays are also possible on KY 355 in Owen County at mile point 6.6.

**Oldham County:**

Routine maintenance

**Shelby County:**

**Interstate 64:** Lane closures and delays possible between the Jefferson/Shelby County line and the Simpsonville exit (mile points 23.2 to 28.1) **February 1-5, 2010 from 7:00 p.m. until 6:00 a.m. the following morning** due to roadway widening. **Lane closures are possible weekdays from 9:00 a.m. until 3:00 p.m. to allow for asphalt pavement repairs.** The speed limit is reduced to **55 MPH** in the construction zone. Construction is scheduled for completion in the summer of 2011.

**Spencer County:**

Routine maintenance

**Trimble County:**

Routine maintenance
